

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

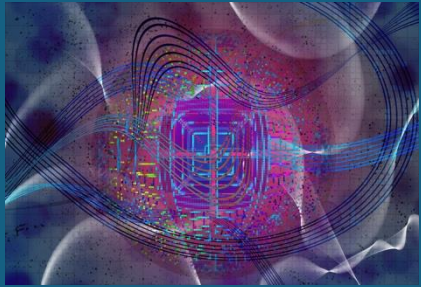

Quantum Verticals Exchange (QVX) New 4th Day at EQTC 2026

Info webinar, 17 September 2026

Why the QVX

**EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE**
Advancing Quantum
Dublin 2026

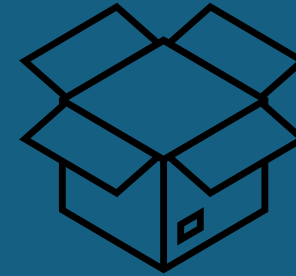

**Quantum
technologies are
moving into real
world
applications**

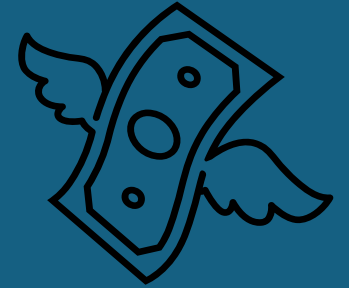

**Global
competition
intensifies**

**Commercial
uptake can
accelerate
industrialization**

**Early adopters
can shape
ecosystems and
competitive
advantage**

**New markets,
investments,
productivity and
high value jobs**

QVX focuses on

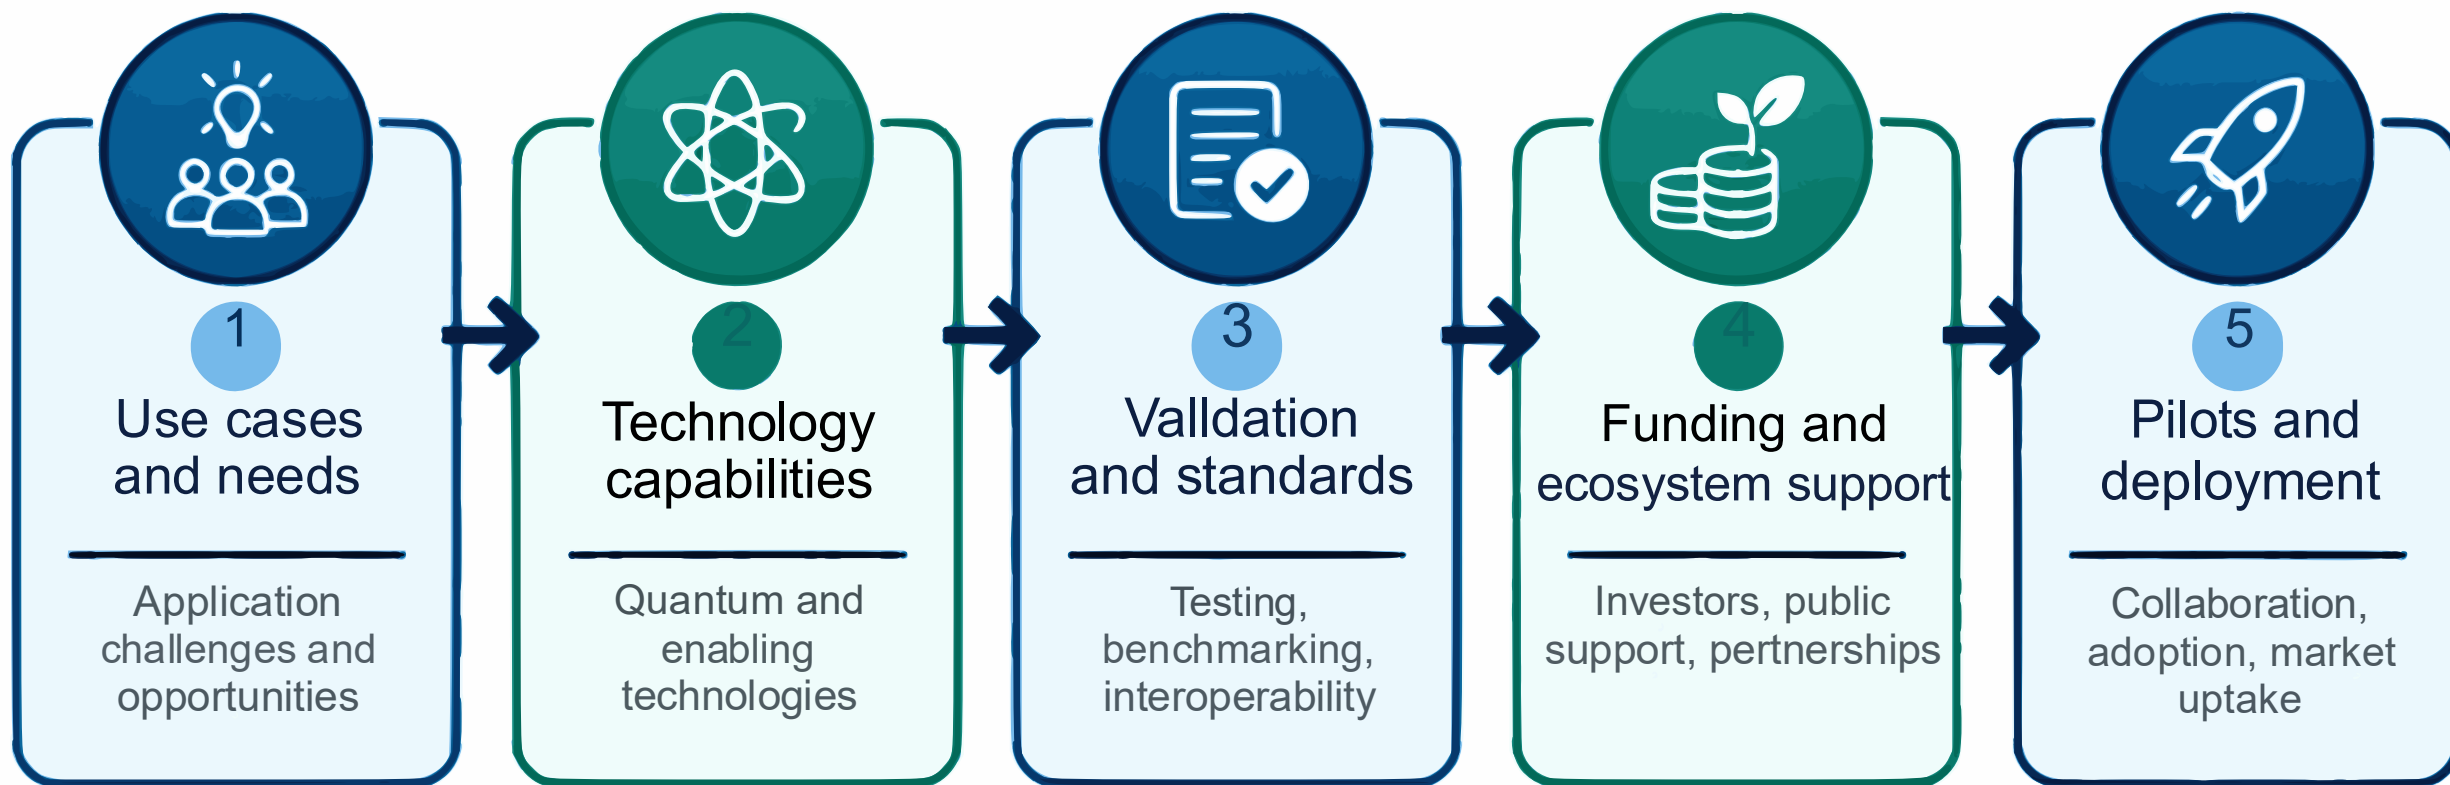

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

- presenting concrete deployment-oriented use cases
- enabling discussions between technology providers and potential users
- supporting the development of pilot deployments and procurement pathways
- connecting deployment initiatives with validation and financing actors
- The objective is not to oversell technology maturity.

How QVX works

Connecting application needs with European quantum capabilities

QVX expected outcomes

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

matchmaking

pilot opportunities

procurement insights

validation needs

possible follow-up actions for ecosystem support

Participants

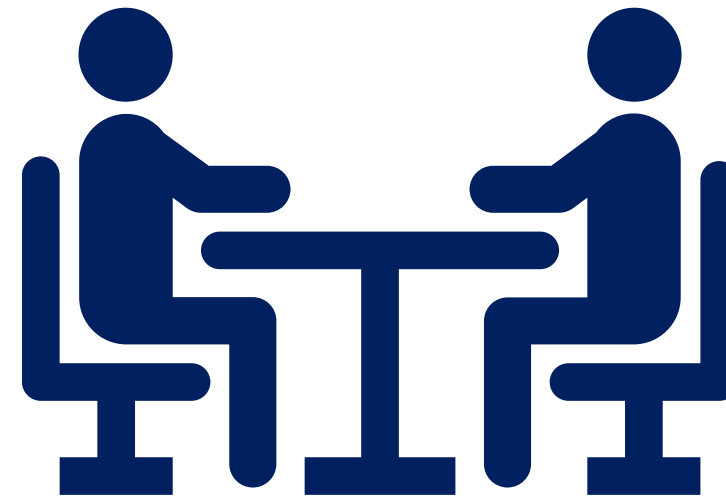

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

- Technology providers
- Application developers
- Buyers

Support by

- Validators
- Financing and Standards actors

Technologies and application sectors

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

All quantum technologies domains will be covered

Application sectors

- **Healthcare**
- **Space**
- **Financial services**
- **Telecommunications**
- **Critical Infrastructure**
- **Defence & Security**
- **Aerospace**
- **Energy**
- **Materials & Manufacturing**
- **Engineering & Logistics**
- **Etc.**

Program schedule

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

09:00 – 09:30	[Plenary] Opening Session
09:30 – 09:45	Shuffle to Parallel Sessions
09:45 – 11:00	[Parallel] Sector-wise Showcases - Presentations
11:00 – 11:45	[Parallel] Sector-wise Vendor Pitches – Presentations
11:45 – 13:00	[Breakout/Roundtable] Sector-wise Matchmaking
13:00 – 14:00	Networking Lunch
14:00 – 15:00	[Parallel] Sector-wise Showcase Prospects - Presentations
15:00 – 15:30	Shuffle to Parallel Sessions (& Awards Selection)
15:30 – 16:15	[Plenary] Showcase Awards (TBC)
16:15 – 16:30	[Plenary] Closing Session

What next

EUROPEAN QUANTUM
TECHNOLOGIES CONFERENCE
Advancing Quantum
Dublin 2026

- Register to EQTC 2026 and QVX Day
 - <https://www.eqtc2026.eu/registration>
- Calls for Submissions - <https://www.eqtc2026.eu/qvx-day>
 - [Application/User Showcases](#)
 - Present your application concepts, prototypes, pilots and demonstrations along with your experiences, needs and challenges
 - Showcase Awards - outstanding showcase presentations demonstrating promising applications, meaningful collaboration and potential for wider impact.
 - [Technology Provider Pitches](#)
 - Present your quantum technologies and capabilities relevant to future applications and sector needs.
- QVX Day Submissions
 - **Deadline: 24 September 2026**
 - Template and portal: <https://abbey.eventsair.com/eqtc-2026/abstract-submission-portal-qvxday>
